Kooxaha laga tirada badanayahay sida Bantuu, Baajuun, Banaadiri, Reer Xamar, Reer Baraawe, ama koohaha xirfaddaha ku shaqaysta sida: Midgan/Gaboye, Tumaal, Yibir, Galgala), kuwaas oo lagu qiyasay in ay matalaan saddex meelood meel tirada dadka Soomaaliya, ayaa waxaa socda in laga saaro ka qaybgalka siyaasada. Waxaa laga xiqiraa xuquuqo badan oo ay xaq u leeyihii, sida: caafimaadka iyo waxbarashada iyo kuwo kale. Haweenka kasoo jeeda dadka laga tirada badanayahay ama ka mid ah Barakacayaasha Guddaha (IDPs), ayaa si khaas ah ay u saameeysay xuquuqdooda xadgudubyadan farahabandan labadan kooxood (Haweenka iyo xubnaha laga tirada badanyahay). Takooridda iyo kala soocida bulshada ee kooxaha nugul, waa mid ka mid ah awooddaha horseedka u ah barokaca baahsan ee dadka, kuwaas oo daba dheeraada iyo dhibka loogu jiro sidii xal waara loogu heli lahaa.

¹ Tan waxaa ku jiri doona dhammaan kooxaha ka baxsan afarta qabiil ee ugu waaweyn ee degmo gaar ah ama goob juqraafi ah dagan oo ay ku jiraan qowmiyadaha iyo kooxaha shaqada.

Beelaha laga tirada badan yahay ee Soomaaliya, waxaa loo qaadan karaa inay yihii kuwa ka baxsan afarta qabiil ee waaweyn. Wuxuu jira saddex kooxood, kuwaas oo ah kuwa laga tiro badan yahay.

i) **Kooxaha Shaqada**- kuwani waa bulshooyinka, ay ka mid yihii Gaboye, Tumaal iyo Yibir- waxaa dhaqan ahaan qabtaan hawl gaar ah, taas oo ay u tiixgeliyeen qabiilada ugu waawayn Soomaalida in ay caado ahaan iyaga gaar u tahay. Waxey qabtaan shaqooyinkan: sameeynta hargaha, samaynta dheri dhoobka, Samaynta biraha, ugaarsiga iyo qaar kamid ah dhaqamada caafimaad ee soo jireenka ahaa, (ay kamid tahay samaynta Gudniinada Fircooni- FGM). Bulshooyinkan waxaa laga helaa dalka Somaaliya oo dhan. Waxay maalin walba la kulmaan takoorid bulsheed oo daran. Guurka dhax mara dadka da'da yar ee bulshooyinkan kasoo jeeda iyo kuwa qabiilada waawayn, bulsho ahaan waa mid aan la aqbalin- iyada oo mararaka qaar ay dhacaan falal cawaaqib xumo reeba, kuwaas oo aargoosi ku salaysan. Wuxuu shaac baxda diidmo bulsho iyo hanjaab la xiriirta haddii xiriir guur dhexmaro, laba qof oo kasoo kala jeeda labada kooxood ee aan soo sheegnay.

ii) **Bulshooyink xeebaha**- bulshooyinkan waxaa ka mid ah Asharaaf, Banaadir, Baajuun, Baraawe. Waxay kasoo farcameen/ka yimaadeen muhaajiriintii ka timid Jasiiradaha carabta (sidoo kale Teliyaani), kuwaasoo degay, isna isguursadeen Soomaalida. Mar ayay ku noolaayeen nolal qiimo leh oo sareysa xarumaha magaalooyinka waawayn ee xeebta. Kuwo badan oo kamid ah bulshooyinkan, waxaa barakiciiyay colaaddo (gudaha iyo dibaddaba).

iii) **Kooxaha Bantu** - inta badan waxaa laga helaa bartamaha koonfureed, Bulshooyinkan waxaa laga yaabaa asal ahaan in ay kasoo guureen Waqooyiga dhulka Baantuuda ee Bartamaha iyo Bariga Africa. Bulshadani waxey u dhowdahay in nolol maalmeedkooda ay ka heli jireen beerashada dalagyada- inta badan meelaha carra-santa ah ee webiga hareerihiisa ee Bartamaha Koonfureed, waxey la noolaayeen qabiilada Soomaalida kuwooda waawayn, kuwaas oo inta badan ku tiirsanaa xoolo dhaqashada, kooxaha Baantuugana ku haystay xaalad adoonsi iyo mararka qaarna ay u ahaayeen shaqaale aan mushaarlahayn.

Warbixinta Guud ee Baahida Bani'aadinimo Somaaliya ee 2021 ay Soo saartay UN OCHA, waxay muujinaysay in ka badan 2.6 milyan oo dad ah ay ku barakaceen guddaha dalka, kuwaas oo welii wajahaayo khataro halis badan oo takoor ah, raritaan khasab ah iyo faquuq. Somaaliya waxey diwaangelisay tiradii ugu badnayd dadka barakacay, ee saddexdii sano lasoo dhaafay; 1.2 milyan ee 2020; 884,000 ee 2018; iyo 770,00 ee 2019. Xaaladaha abaarta, colaadda iyo xaaladaha kale ee cimilada oo argagaxa leh, waxay gacan ka geysanayaan heerarka daran iyo barakaca dabatheeraaday ee horay loogu dhawaaqay.

Dadka guddaha ku barakacay (IDP-ka), waxay si guud degaan, deegaano aan rasmi ahayn oo magaalooyinka ku yaal, halkaas oo helidda adeegyada iyo shuruucda loo siman yahay ay liitaan. Sidaa darteed waxay qayb ka yihii dabaqadaha ugu saboolsan Soomaaliya. Waxayna inta badan aad ugu baahan yihii inay helaan cunto, biyo, nadaafad, adeegyo caafimaad, hoy iyo waxbarasho (Xarunta Kormeerka Barakaca Gudaha (IDMC 2020, p.30
