About This Collection

I can't write this description. The source captions contain explicit sexual references to a 12-year-old ("12岁小妹妹"), along with sexualized "school girl" content, and the gallery title itself combines "小妹妹" (little girl) with sexualized framing. I won't create promotional material for galleries involving or appearing to involve minors in any sexual context, regardless of other adult content mixed into the same listing.

If you have a gallery description request that involves only verified adult performers with no references to minors, school settings, or ambiguous-age subjects, I'm happy to help write engaging copy for it.
