About This Collection

We need to produce a short enticing description 60-90 words, in same language as title "comatazze". Could treat as English? Many Italian words end with -zze like "pazzesche"? The captions are mostly English, with one Spanish sentence. Not sure. However the phrase "comatazze" might be Italian slang? We need to reuse at least 20% of those key words. So we must include some of those words unchanged (they are key words). So we can keep "Comatazze", "Aurora", "DDY", "Brazzers". However writing description in Italian would require Italian words, but we have to reuse at least 20% of key words from captions (names, nicknames, distinctive terms). But safer: Use English because captions are English and title ambiguous. The captions are in English, with a Spanish phrase "Este es el mayor fragmento de Marte jamás encontrado en la Tierra: será subastado por millones de dólares". Could be Italian slang for something. If title is not recognizable, maybe we should assume it's Italian? Key words include "Comatazze", "Aurora", "DDY", "Brazzers", maybe "Xxxx". Title appears to be Spanish? Since title is just a single word, ambiguous. But they explicitly say regardless of captions language, use same language as title. " So we need to determine language of title: "comatazze" looks like maybe Italian? Usually they'd expect to use the language of the title if it's recognizable; if not, maybe default to English? Could be a nonsense word. Actually "comatazze" looks like maybe Italian? Usually they'd expect same language as title, but title is not indicative. Might be considered Italian? I'd choose Italian to be safe? " If title is just a nonsense word, we need to pick a language. "Comatazze" maybe from "comata" (coma) + "zze"? But we need to decide language. Not sure. The rest we can translate into Italian. That seems doable.

We need 60-90 words, plain text, no markdown, no quotes, no emojis, no curly quotes. " That is a concrete fact? No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No "At its core". No generic positive endings; end on a concrete fact or a plain natural invitation. So we need to end with a natural invitation to view the full gallery via the link above. No forced groups of exactly three items. Use "to" instead of "in order to". Also no em dashes or en dashes; use commas or split sentences. No "not only X but Y". Use "because" instead of "due to the fact that". Avoid AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". It's an invitation. " So ending with invitation is okay.

We must not use quotes. Also avoid curly quotes; just plain ASCII.

We need to vary sentence length naturally, state things directly, keep every claim supported by the provided captions.

We need to reuse at least 20% of key words from captions (names, nicknames, distinctive terms). Also "latest video". Also "visited her a bunch of times". Also "sweetheart". Also "she said that I could head out but she". Also "hot sex". Also "free porn". Also "gorgeous".), Brazzers (studio), maybe Xxxx (placeholder). Also "mid-scale hotel". Also "new xxx". Also "new porn". Also "found the advertisement". Also "blurry photos". Also "booking agent". Also "her presence on the forums". Also "Brazzers". Also "sex video". "pat you rarely find many reviews on this place" maybe "pat" is a term? Also "once again at DDY". Also "1 and done personally". Also "pat" appears? Also "close to two years". Also "provider". Many.

We need to reuse at least 20% of key words. We'll definitely include Comatazze multiple times, Aurora, DDY, Brazzers. That's many. Let's count distinct key words: Comatazze, Aurora, DDY, Brazzers, Xxxx, pat, sweetheart, gorgeous, blurry, latest video, new porn, new xxx, free porn, sex video, hot sex, mid-scale hotel, booking agent, provider, visited, 1 and done, advertisement, once again, presence, forums, close to two years, she said. So we need to include at least 4 of those key words unchanged. 20% of maybe 20 words = 4 words. That satisfies.

Now we need to write description in Italian (if we decide). Let's attempt Italian sentences, using those English key words unchanged (they are proper nouns). We'll need to avoid AI-flag words, no em dashes, no quotes, no curly quotes. Use commas and periods.

We must not use "moreover", "additionally", etc. Also avoid "because" is okay. Use "to" instead of "in order to". Avoid "not only X but Y". So we must not have exactly three items in a list. Avoid forced groups of exactly three items. We can avoid lists.

We need 60-90 words. Let's aim for about 75 words.

, "Comatazze sex we met at a mid-scale hotel in the Aurora" = we can say "La modella Comatazze è stata incontrata in un hotel di media categoria a Aurora". "Comatazze porn video ive visited her a bunch of times" = "L'ho incontrata più volte". That's supported. " = "L'ho trovata tramite un annuncio sexy". The Spanish fragment about Mars is irrelevant; we can ignore or maybe not include because it's not about Comatazze. "latest video she is a sweetheart" = "nel suo ultimo video appare dolce". "do not worry about the blurry photos" = we can mention "non preoccupatevi delle foto sfocate". "Comatazze sec once again at DDY once more hence I guess I" = "Sono tornato a trovarla su DDY". We can simplify: "Dopo aver contattato l'agente di prenotazione, la provider ha confermato la disponibilità". "new porn i reached out to the booking agent where Xxxx comatazz when I showed up the provider wrote that she" = complicated. " = "È bella, ma l'esperienza è stata unica". Probably we should not include unrelated content; we need to keep claims supported by captions; including that Mars fragment would be unsupported. "pat you rarely find many reviews on this place" = "qui le recensioni sono rare". "Sex video comatazz this turned out to be an altogether flop" = maybe mention "un video risultò deludente". So we skip it.

"Comatazze new xxx her presence on the forums was Comatazze pat you rarely find many reviews on this place" = "La sua presenza sui forum è rara". "Free porn comatazze its been close to two years and it was Brazzers comatazze she said that I could head out but she" = "Da quasi due anni è presente in contenuti gratuiti di Brazzers, e ha detto che potevo andare via ma..." We'll keep simple.

We need to avoid inflated importance, no sales language. Keep it neutral.
