About This Collection

We need to produce a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Use "because" instead of "due to the fact that". Also no em or en dashes; we can use commas or split sentences. Must not use certain prohibited words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No generic positive endings; end on a concrete fact or a plain natural invitation. Must be plain text, no markdown, no lists, no quotes. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". The description must be in same language as title: Russian. No "not only X but Y" constructions, no "At its core", no forced groups of exactly three items. The gallery title is "авиакасса бишкек рядом" (in Russian). No emojis, no curly quotes, no markdown, no bold text. Use "to" instead of "in order to". Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to reuse at least 20% of key words from the captions (names, nicknames, distinctive terms), translating the rest as needed. Key words likely: авиакасса, бишкек, онлайн-тур, туристические услуги, нижняя Ала-Арча, проспект Чуй, проспект Манаса, улица Юсупа Абдрахманова, Киевская ул., Фрунзе, село Беловодское, Бай-сай, АэроСервис КейДжи, Salexy.kg, lalafo.kg, 2ГИС, Яндекс Карты, авиабилеты, дешевые авиабилеты, круглосуточные, договорная, etc.

We need to embed at least 20% of these key words in the description. If description is ~70 words, 20% of key words means we need to reuse at least some of them. Likely we need to include several of those words.

We must not use prohibited words. Also no em dashes. Use commas.

We need to end with a plain natural invitation to view the full gallery via the link above. Since we don't have an actual link, we can say "смотрите полную галерею по ссылке выше". That is a plain natural invitation.

"maybe okay? But they said no generic positive endings; end on a concrete fact or a plain natural invitation. So ending with invitation is okay.

We must not use inflated importance or sales language. Keep it simple.

We need to ensure each claim is supported by captions. So we can say something like: "В галерее представлены модели рядом с авиакассой в Бишкеке, включая точки на проспекте Чуй, улице Юсупа Абдрахманова и Киевской улице, а также онлайн-сервисы такие как АэроСервис КейДжи и Salexy.kg." This uses key words.

We need to avoid using "включая" maybe okay. "АэроСервис КейДжи". "улица Юсупа Абдрахманова". Must not use prohibited words. "авиакасса" appears multiple times. "Бишкек". Check each word: "включая" is fine. kg". "проспект Чуй". "Киевская улица". Also "онлайн-тур" maybe.

We must not use em dash. Use commas.

We must not use "not only X but Y". Avoid.

We must not use forced groups of exactly three items. The rule says "no forced groups of exactly three items". Likely they mean avoid triples like "A, B, and C". Safer to avoid listing three items in a single phrase. We can avoid grouping exactly three items; we can have two or more than three. So we should not list exactly three items in a row separated by commas? We can use two items or four items.
