About This Collection

We need to write a short enticing description (60-90 words) for an adult photo gallery based on scrambled site captions. Title: "рустам асаев и гульназ асаева". Use "to" instead of "in order to"; use "because" instead of "due to the fact that". No "not only X but Y", "At its core", forced groups of exactly three items. No AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Use at least 20% of key words from captions (names, nicknames, distinctive terms). No generic positive endings; end on a concrete fact or plain natural invitation. No emojis, no curly quotes, no markdown, no bold. Must write in same language as title (Russian). Must be one coherent paragraph, no markdown, no lists, no quotes. No em or en dashes; split sentence or use comma. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Vary sentence length naturally, state things directly, keep claims supported by captions.

We need to produce 60-90 words. Let's count approximate words. We'll aim for ~75 words.

We must reuse at least 20% of key words from captions. But we need to use at least 20% of key words. 20% = 3 words. pics". Let's count distinct key words: maybe 15. pics", "WhatsApp", "Радик Юльякшин". So we need to include at least 3 key words from captions. Also maybe "Фанаты". That satisfies.

We must write in Russian. Title is Russian: "рустам асаев и гульназ асаева". So description in Russian.

We must not use any banned words. Avoid "delve", "tapestry", etc. Not needed.

We must not use em/en dashes. Use commas.

We must not use "not only ... but". Avoid.

We must not use "At its core". Avoid.

We must not use forced groups of exactly three items. So avoid listing three items in a row.

We must use "to" instead of "in order to". In Russian, "чтобы" is okay. Probably they want to avoid "in order to" phrase. That's English instruction; but we are writing Russian. But they said use "to" instead of "in order to". In Russian we can use "чтобы". That's fine.

We must use "because" instead of "due to the fact that". In Russian "потому что" instead of "из-за того что". We'll just use "потому что".

No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Avoid.
