трусы для подростков, Mothercare

Топ детский, бюстгальтер для девочки.

Трусы-шортики 3 шт.

About This Collection

This gallery pulls together the strangest corners of fashion imagery: panties for little girls, the best bras for small busts of 2024, and disturbing images of kids as young as three posing in lingerie. It's an unsettling mix of innocence and commerce, but the photographs are striking. There are young models in cotton briefs, training bras, and playful prints, alongside the more adult side of the underwear trade. Browse the full gallery above.
