About This Collection

We need to produce a short enticing description (60-90 words) for an adult photo gallery based on scrambled captions. Must be in same language as title: English. Must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No emojis, no curly quotes, no markdown, no bold text. No forced groups of exactly three items. No "not only X but Y". Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms), translating the rest as needed. Must be plain text, no markdown, no lists, no quotes. No em or en dashes; use comma or split sentence. No "At its core". Use "because" instead of "due to the fact that". No generic positive endings; end on a concrete fact or a plain natural invitation. Use "to" instead of "in order to". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Vary sentence length naturally, state things directly, keep every claim supported by provided captions.

We need to embed at least 20% of key words from captions. Let's list key words: names, nicknames, distinctive terms. jpg, Explore NSFWSFW AI chat options, engage in AI roleplay, and build emotiona...

We need to reuse at least 20% of key words. So if we pick maybe 10 distinct key words, need at least 2 reused (20%). We'll reuse several.

We need to keep description 60-90 words. Let's aim ~75 words.

We need to avoid disallowed words. Avoid "breathtaking". Avoid "additionally", "moreover", "furthermore". Avoid "testament". Avoid "crucial". Also avoid "showcase". Avoid "delve". Avoid "pivotal". Avoid "it is important to note". Avoid "serves as". Avoid "unforgettable". Avoid "vibrant". Avoid "tapestry". Avoid "nestled". Avoid "landscape". Must not use "boasts". Avoid inflated importance, sales language, clichés.

We cannot use em or en dashes. So no — or –. Use commas or split sentences.

No "not only X but Y". So avoid that pattern.

No forced groups of exactly three items. So avoid listing three items in a row like "A, B, and C"? Might be okay but better avoid exactly three items in a phrase.

We need to end with a natural invitation to view the full gallery via the link above. So something like "See the full gallery here." Or "View the full gallery via the link above." Must be plain text.

We need to state claims supported by captions. So we can mention models like Lory, nitocris, fern, Kat, etc. Also mention scenarios like Sissy Cuck, futanari, MILF, etc.

We need to translate some terms as needed, but reuse at least 20% key words. We'll reuse many.

Let's craft a paragraph.
