About This Collection

ViciNeko brings the Prinzessin herself into a deliciously wicked scenario in Fischl X Slime – A Special Delivery, a stunning 4K animated treat from Genshin Impact. Every frame pulses with detail as the curious creature gives the thunder-wielding investigator a first time she won't forget. Watch Fischl von Luftschloss cross paths with a pulsating slime for a wild ride she never saw coming — mind your manners indeed, because this special delivery is anything but polite.
